

BRAND

Sustainability in the lab

with BRAND

BRAND. For lab. For life.®

BRAND is awarded gold status as a sustainable company by EcoVadis

BRAND GMBH + CO KG, a company of the Brand Group, has successfully participated in the sustainability audit of the EcoVadis evaluation platform.

EcoVadis evaluates the measures and efforts of companies in the areas of environment, labor and human rights, ethics and sustainable procurement.

According to EcoVadis, BRAND is among the top 5 percent of the evaluated companies and has been awarded Gold status. The company's consistent reduction of greenhouse gas

emissions in recent years, as well as its increasingly sustainable procurement, contributed to the positive rating.

BRAND achieved above-average results in all areas. The more than 300 evaluation criteria include

- + Climate and environmental protection
- + Good working conditions
- + Ethical behavior
- + Sustainable procurement

For the Brand Group, economic success and sustainable performance are inseparable.

Sustainability in the lab with products from BRAND

Many BRAND products have features that contribute to more sustainable work in the laboratory. You can recognize them on store.brand.de by our green symbol with the leaf:

- + Production in Germany using energy from renewable sources
- + Sustainable packaging
- + Waste-reducing refill systems
- + Long service life thanks to high-quality materials and easy maintenance and repair

Transferpette® S Transferpette® S-8

Pipette tips and filter tips

accu-jet® S

Dispensette® S

PCR plates

Renewable energy

In our factory we use 100% eco-friendly energy from certified hydro-electric power plants and energy generated on premise from our high efficiency cogeneration unit.

Energy from renewable sources from a regional partner

Sustainable packaging

We use cardboard with approx 90% recycled content for our product packaging.

For most Liquid Handling instruments and Life Science Consumables

Waste reduction

The TipRack refill system reduces the amount of waste by more than 20% compared to the TipBox and the TipRack packages can be nested for space-saving disposal.

BRAND refill system TipRack for pipette tips and filter tips
